## A 'Fair-Bulous' Addition!

May Wong joins TGCR as General Manager, bringing with her a wealth of experience and strong connections in the golfing fraternity

TGCR would like to bid a warm welcome to May Wong, who joined us as General Manager on March 1.

Originally from Penang, May is one of the most experienced and well-respected female managers in the golf industry. She holds a diploma in materials engineering from Tunku Abdul Rahman University College and began her working career with a quality management consultancy.

May had her break in golf when her company did some work for Cinta Sayang Golf Resort in Sungai Petani, Kedah, in 1999. She assisted the club with membership and chalet sales and made such a good impression that she was offered a job with Cinta Sayang as Assistant Director of Sales and Marketing.

In 2001 at the height of the golf course boom in Malaysia, May joined Bukit Unggul Country Club in Dengkil, Selangor as Sales and Marketing Manager. Proving her capability on all fronts, she was promoted to Acting General Manager in 2009 and was confirmed shortly thereafter. May remained with Bukit Unggul as General Manager until she left to join TGCR.

May is not only a capable all-round manager but is also extremely people-oriented with an infectiously upbeat personality. Having built close ties with the Malaysian golfing fraternity over the years, she is a valuable addition indeed to the TGCR management team!

## Welcome Mr Sara!

S. Saravanan joins TGCR as Senior Manager of Security

TGCR has added another new member to its management team in the form of our new Senior Manager of Security, Saravanan Subramaniam.

Saravanan – or Sara for short – joined us in December 2020 and will be in charge of ensuring the security and safety of club members and guests. Prior to joining TGCR, Sara was in the police force for 22 years and amassed three years' experience in the security industry.

# Congratulations, Maren!

## TGCR's "Big Boss" of golf rises up the ranks to Golf Operations Manager

TGCR is known for many great things; our manicured greens, sublime dining, memorable events, exotic birdlife and, also, Maren Raju from the Golf Department!

And now in 2021 amidst a long-running pandemic that has rocked the world and of course the golf industry, we have some positive news to celebrate. I'm not just referring to the vaccine; I am referring to the promotion of our dear Maren from Assistant Manager to Golf Operations Manager!

I, along with many others, consider Maren as the "Big Boss" of golf. In my position, as the guy that gets to oversee and take some credit (not all) for his hard work, this rise in his status is well deserved.

Funny thing is, Maren started with zero knowledge of golf and picked everything up from scratch! He began his long stint with Tropicana in 1995 as a Marshall, moving steadily up the golf department ranks to Starter and then Caddy Master. As part of management training, Maren then jumped right into his duties as the Duty Manager. This means he knows the Club inside out and his expertise is not restricted solely to golf.

Once Maren had completed his duties there, he was back to his best in the golf department as a Senior Executive, slowly climbing up further to Assistant Golf Operations Manager in 2017 and now Golf Operations Manager.

Maren has great work ethic and has yet to let me down in the tasks assigned to him. Despite his gruff demeanour, he has a great sense of humour and is the very personification of the Malay saying "ada taman di hati", and members who know him well would readily agree.

What I personally like most about Maren is that he takes care of his staff and is a good listener. And as he continues

his rise in due time, those are two of the most important qualities as a leader, which in my opinion Maren exemplifies. I would safely say for now there is no better Golf Operations Manager and I am supremely confident that he will continue to maintain TGCR as the premier golfing destination for all, locally and worldwide.

In closing (and since Maren can have the second last word), he wishes to share with our members and colleagues his sincere thoughts, namely that these past 26 years as part of the Tropicana family have been the best experience he has ever had. Maren can hardly imagine any other place that he wants to be at and this, he says, is due to his strong bonds he has built over the many years with said members and colleagues, who have always regarded him with care and as a friend.

Lastly, Maren is especially grateful to all the special people (past and present) who have mentored and guided him on his long journey thus far.

Keep up the good work, bro! [I get the last word!] Thanks Maren!

# Paying It Forward

Tropicana Foundation gives back by providing meals to charitable homes during the MCO

Times are tough indeed for many folk due to the Covid-19 pandemic, which saw the Movement Control Order (MCO) being enforced again earlier this year.

Recognising our role as a responsible corporate citizen, TGCR embarked on a campaign to provide meals to various charitable homes during the MCO period. Under the banner of the Tropicana Foundation, we provided daily lunches and dinners to no less than 14 homes in the Klang Valley.

The Tropicana Foundation continues to be active in giving back to society and bringing a little bit of happiness to the less fortunate. Help us to help them by purchasing yummy TGCR Homemade Cookies, baked with love ... and for a lovely cause! All profits go to the Tropicana Foundation to help fund its charitable activities.

*Call 03-7804 1919 for more information.*

## About The Tropicana Foundation

The Tropicana Foundation is designed to capture, coordinate and drive forward the Tropicana Group's corporate social responsibility activities. Initiated by the top management the foundation is dedicated to improving the lives of the under-privileged communities through the provision of funding and implementation of other charitable initiatives.

The Foundation aims to provide assistance by supporting local health, education and other non-profit organisations. Through its efforts and contributions, it is hoped that Tropicana will help create a more compassionate and supportive community, especially within the group's circles of influence.

V. Ravindran,  
Deputy General  
Manager

### WHY WE NEED A GOLF MANAGER

Governing bodies need to fill this position to achieve national objectives

The title of 'manager' in Britain is distinct from that of coach and is closer to that of the responsibilities held by a head coach or athletic director in the United States of America. The process of managing people whether in sport or business is a complex task and requires a sympathetic appreciation of the multi-dimensional roles required.

Traditionally, a coach has a prescribed number of roles which typically include a planned, coordinated and integrated programme of athlete preparation. In contrast, the modern manager must acknowledge the importance of his role from a business or financial perspective.

One of the most successful examples of such an individual thus far is Sir Alex Ferguson, who turned Manchester United into one of the richest football clubs in the world.

Now let's take the role of the manager in a national golf body. How are we going to do it and apply the job scope effectively?

For a start, the appointed manager must be given full scale responsibility for a number of years to develop and grow the national team. The leaders in this case, the committee of the national body, should only be involved in giving vision and directions to the manager.

The role of a manager is to maximise the output of the organisation in organising, planning, staffing, maintaining direction and coaching responsibilities. The manager should be given full power to decide on all matters and get the necessary approval from the leaders.

The manager is responsible to lead the national team for all tournaments along with the appointed coach and must be authorised to give press statements

Sir Alex Ferguson

pertaining to players and their performance. The leaders who accompany the team should only be involved in the association's administrative matters and not interfere with the manager's duties.

The appointed manager should be given a long-term contract to fulfil the vision and directions set by the leaders. If there is a change in the 'leaders', the manager should carry on in his capacity without any interference.

The new leaders should only look into the 'Key Performance Index' and carry on with the programme until the expiry of the period and thereafter gauge its success.

Many national bodies have never had a specific manager to oversee and

manage the development of golf in the country. Only coaches were appointed to look after the development of the team on a short-term contract basis.

In my opinion, I feel that this is more like a stop-gap measure and has never really brought the desired success as we had hoped for.

It is my fervent hope that the "future" appointment of this manager will greatly improve the development of the game to another level.

Then, and only then, will aspirations for junior golf development see fruition and consequently catalyse the emergence of world-class players.

*Article previously published in Golf Digest*

# An Ox-picious Occasion

TGCR brightened up Chinese New Year with stunning decorations inside and around the clubhouse

As traditions continue to be upheld, the majestic Golden Ox now resides in our 'fortress', taking the place of the demure Rat.

Indeed, the TGCR clubhouse and its surroundings were illuminated with Chinese New Year lights and decorations, signifying the arrival of the Ox with much optimism and joy.

Oxen are known for diligence, dependability, strength and determination, which perfectly reflect the respected traditional values in family life and the community. The Golden Tree of Wealth meanwhile symbolizes prosperity and success as we strive to face the challenges of the New Year.

It has always been a tradition for TGCR to celebrate the festive season with seasonal menus including the popular *Yee Sang*, sweet Mandarin oranges and the must-have *angpows*. While we were unable to have a Lion Dance this year due to the MCO, it was still a joyous occasion for members and their guests.

Do pay us a visit soon and remember to stay safe and follow the SOPs while you are here. Check out our other promotions and updates on the Tropicana 360 app or our Facebook page.

# Soaring & Blooming

TGCR's feathered and flowering denizens reflect the positivity of the club's pandemic response

By Dino Laszidin

Asian Openbill Stork

TGCR is a haven for thousands of species of flora and fauna, which is even more pertinent now as the world rediscovers the importance of Mother Nature as it recovers from the Covid-19 pandemic.

The effortless, soaring flight of the various species of birdlife, along with the natural blossoms that adorn the grounds, reflect the instinctive and positive manner in which the club has responded to and managed the crisis. We have been at the forefront of the golf industry in making dynamic adjustments to adapt to the new normals, including the timely introduction of online booking for golf and sports via the TGCR T360 App, QR code check-ins at more than 60 different areas, QR menus at our F&B outlets, takeaway meals

Bougainvillea

Mexican Petunia

Kingfisher

Javan Myna

and delivery services from the early days of the MCO, and much more.

The stretch of landscape from West Course Holes 12 to 15 provides a pristine playground for the large flock of Asian Openbill Storks, who stroll along the fairways and greens as they catch the golden rays of the morning sun.

Adjacent to the Wetlands environment project at the West Course, you can see the breath-taking sight of these storks taking flight and soaring to the next hole whenever humans approach. Other hotspots for these migratory birds are East Course 1 Holes 4 and 5, and East Course 2 Hole 11.

Other bird species commonly spotted at TGCR are the Asian Glossy Starling, Javan Myna, Brown Shrike and Purple Heron. You can even see the Oriental Magpie-Robin; perched on a fence and the majestic Brahminy Kite in predatory mode over a pond.

We also have our fair share of the Little Egret, a small heron of the Ardeidae family; the Striated Heron, also known as the Mangrove Heron; the Barn Swallow, the most widespread species of swallows in the world; the Yellow-Vented Bulbul, a resident breeder in Southern Asia commonly found in open habitats; and other large birds like the Painted Stork and Eastern Great Egret which can be seen

Kingfisher

Javan Myna

along the lakes as they hunt for the many food sources on offer.

Even from the scoreboard area beside the Golfers Lounge and Twenty7 Restaurant, you can hear the cheery song of the Oriental Magpie-Robin. When you're on the fairways, there's the staccato cooing call of the Zebra Dove

and the characteristic chupp of the Long-Billed Pipit, both of which are pleasing to the ear and do not distract you while making a swing or putting for a birdie (pun intended!).

There are also various kingfishers such as the Forest Kingfisher, also known as the Tree Kingfisher, on our flowering Red

Flame trees located on East Course 1 Hole 4; and my personal favourite, the White-Throated Kingfisher that seems to be seen at every twist and turn of the course.

The next time you're out on the course, keep an eye out for these colourful creatures who share our fairways and greens. They're truly a sight to behold!

Bougainvillea

# K-Food Cravings

Fancy some delectable Korean fare? QingHeGu serves up yummy grub from the Land of the Morning Calm and is currently offering some great promotions for dine-in, takeaway and delivery!

# Maintaining High Standards

Even during the MCO, TGCR's maintenance crew continues to upkeep the golf course and surroundings to the highest levels

With the exceptionally hot and dry weather recently, TGCR's maintenance crew has worked extra hard to keep our golf course in pristine playing condition.

As you can see from the photos, a lot of attention has been paid to irrigation and watering so that the turf remains lush and green. We are glad to say that our golf course is among the best playing experiences in the country!

Using a blower to tidy the bunkers

Mowing the green collars

Mowing the bunker surroundings

Mowing the greens

Topdressing the greens
