Helping Those In Need

Thanks to TGCR members' generosity, contract workers receive cash and essentials during lockdown

Giving is receiving, they say ... and TGCR members showed how true that is by continuing to show their compassion for the less fortunate.

Members' contributions in the months of July and August saw each contract worker who had no income during that period receiving RM200 to help make ends meet. Additionally, they were given essential items such as meehoon, salt and sugar, Maggie instant noodles, cooking oil, tea, soy sauce, biscuits, milk, eggs, canned sardine and flour. 100 food packs and bananas were also distributed to them.

In conjunction with Hari Raya Aidil Adha, the workers were also presented with 1kg of *Daging Korban* each.

Kudos to all TGCR members for your generosity!

THE GREENS AFTER LOCKDOWN

TGCR members praise superb course conditions and warm welcome back upon reopening

Members have gushed over the superb playing conditions at TGCR post MCO 3.0, thanks to the tireless efforts of our greenskeeping team during the shutdown which lasted for close to three months.

“The golf course was immaculate after the re-opening ... the fairways were well-maintained and the greens in good condition. We hope that the club will maintain the upkeep,” said Tengku Muzzammil.

“It was great to be back playing golf as we were able to meet our friends after such a long absence. TGCR staff were excellent and made us feel really welcome ... all points of entry were good, from the bag drop, counter and starters to the marshals and caddies,” he added.

Another member, Albert Wong, shared his excitement

at our golf course reopening on August 21.

“Like every other golf enthusiast in the country, I was disappointed when golfing was not allowed during the lockdown period,” he said. “So, you can imagine the ripple of excitement when we are allowed to go on the course and play!

“The last thing on a golfer’s mind at that time, no matter how finicky we can be, is the course condition. We don’t care if the fairways are not properly mowed or if the greens are bumpy. Last on our mind will be disputing the Stimpmeter measurement of the green speed, a common grouse amongst golfers. Akin to a herd of wild elephants rummaging through a plantation, we were just happy to get the opportunity to go hack it out!”

Once the euphoria of being able to golf again had abated, Albert and his golf 'kaki' started to take note of the course conditions.

"I believe the club needs to put in much more effort in improving the condition of the greens, which used to be the standout for this course. The primary reason golfers flock to TGCR is because of the lightning speed and undulating greens. Sad to point out, that effect is diminishing.

"I will give the fairway conditions a rating of eight out of 10, except for a few holes where rectification to the sub-soil irrigation is required. To maintain the condition of the fairways, I do suggest the club make available sand bottles at the starter's hut and make it compulsory for members who are playing without caddy services to use them to fill up divots after their shots."

Albert praised the club's staff for their warmth and excellent service. "One of the coolest reasons why TGCR is a club of choice

is the feeling of being at home. Kudos to the management, you have a well-trained team, friendly and accommodating. No matter how horrifying and frustrating your game was, you feel welcome and see smiley faces everywhere when you step into the clubhouse!"

Acting General Manager V. Ravindran thanked all members for their feedback. "We always ensure that we upkeep the course during shutdowns so that members enjoy when they return to the fairways," he stressed. "We are glad that we received positive feedback from the members after the re-opening."

"Of course, there are always shortcomings and we will address these issues accordingly as we are now operating 100%. I would like to thank our esteemed members for their input and continuous support in helping keep our course in pristine condition," Ravindran concluded.

Let us all work together to maintain and enhance TGCR's reputation as one of the best playing experiences in Malaysia!

TROPICANA FOUNDATION PROVIDES RELIEF TO 5 HOMES & 90 CHILDREN

Tropicana Foundation continues to reach out to the underprivileged community. In conjunction with Malaysia Day, we extended our support to 5 orphanage homes around the Klang Valley area.

Together with our agriculture arm, Purple Pumkie & Greenhouse Farm & Fishery, our team organised and handed over 1,100 kg worth of daily essential goods, 380 kg worth of fresh produce, and 90 sets of school bags with school supplies for 90 orphans and abandoned children from the 5 homes.

These supplies will provide nourishment and support to the homes for a month. The fight against the Covid-19 pandemic is not over. Let's all do our bit as responsible Malaysians to help flatten the curve by adhering to the SOPs.

An Inspiring Experience

TGCR hosts Diveheart Malaysia as Nor Suhaili Yusof earns scuba diving certification

It was an inspiring experience indeed when TGCR hosted the team from Diveheart Malaysia in a CSR program for Special Adaptive Lady Diver, amputee Nor Suhaili Yusof, on September 18.

Headquartered in the United States with chapters worldwide, Diveheart is a non-profit organization which provides and supports educational scuba diving programs for anyone with disability so that they can experience the therapeutic values of diving.

Diveheart Malaysia Ambassador Syed Abdul Rahman Syed Hassan showed great expertise and patience

as he guided Nor Suhaili through the Adaptive Techniques Training session, with the assistance of the extremely capable ladies from Diveheart Professional Volunteers.

Diveheart Malaysia kept true to their slogan of 'Imagine The Possibilities' as Nor Suhaili came through the session with flying colours, culminating with her being awarded the PADI Discover Scuba Diving Certificate.

TGCR applauds her achievement and the dedication of the folk from Diveheart Malaysia ... keep up the good work!
